

SUMMARY OF MATERIAL MODIFICATIONS

This Notice, known as a Summary of Material Modifications ("SMM"), describes changes to the Plan adopted by the Trustees since the Summary Plan Description ("SPD") was issued in April 2010. It amends the SPD you previously received. You should keep this SMM with the SPD for future reference. The changes to the SPD are as follows:

Effective June 1, 2012, the 2011 negotiated increase in the hourly Employer Contribution of 7.5% will be treated as a non-credited increase for all **future** hours worked.

Effective January 1, 2014, the Plan was amended to provide that the statute of limitation to bring an action against the Fund, Board of Trustees any of the Trustees individually, or any agent of any of the foregoing under or relating to the Plan will be three years from the date the participant first receives a determination of his rights and/or benefits under the terms of the Fund's Plan. Previously the statute of limitations was three years from the date the right of action accrued.

Effective January 1, 2014, the Plan was amended to provide that any action in law or equity brought by a participant or beneficiary against the Fund, the Board of Trustees, any of the Trustees individually, or any agent of any of the foregoing under or relating to this Plan shall be brought in the United States District Court where the Plan is administered.
