| Important Questions  | Answers  | Why This Matters:  |
|--|--|--|
| What is the overall deductible?                                      | In-network provider: \$750/person per calendar year; \$1,500/family per calendar year; out-of-network provider: \$1,500/person per calendar year \$3,000/family per calendar year  | Generally, you must pay all of the costs from <u>providers</u> up to the <u>deductible</u> amount before this <u>plan</u> begins to pay. If you have other family members on the <u>plan</u> , each family member must meet their own individual <u>deductible</u> until the total amount of <u>deductible</u> expenses paid by all family members meets the overall family <u>deductible</u> .  |
| Are there services covered before you meet your deductible?          | Yes. Preventive care, hospice, prescription drugs, office visits, and in-network prenatal and postnatal care   | This <u>plan</u> covers some items and services even if you haven't yet met the <u>deductible</u> amount. But a <u>copayment</u> or <u>coinsurance</u> may apply. For example, this <u>plan</u> covers certain <u>preventive services</u> without <u>cost sharing</u> and before you meet your <u>deductible</u> . See a list of covered <u>preventive services</u> at <a href="https://www.healthcare.gov/coverage/preventive-care-benefits">https://www.healthcare.gov/coverage/preventive-care-benefits</a> . |
| Are there other deductibles for specific services?                   | No.  | You don't have to meet other <u>deductibles</u> for specific services.   |
| What is the <u>out-of-pocket</u> <u>limit</u> for this <u>plan</u> ? | In-network: \$7,150/person, \$14,300/family per calendar year overall (or "TROOP") limit; out-of-network: \$7,150/person, \$14,300/family per calendar year overall (or "TROOP") limit; \$2,000/person, \$4,000/family per calendar year in-network coinsurance limit coordinated with TROOP limit; \$2,000/person, \$4,000/family per calendar year out-of-network coinsurance limit coordinated with TROOP limit | The <u>out-of-pocket limit</u> is the most you could pay in a year for covered services. If you have other family members in this <u>plan</u> , they have to meet their own <u>out-of-pocket limit</u> until the overall family <u>out-of-pocket limit</u> has been met. In-network expenses don't apply toward out-of-network maximums.   |
| What is not included in the <u>out-of-pocket limit</u> ?             | TROOP Limit: <u>Premiums</u> , <u>balance billing</u> , charges by <u>out-of-network providers</u> in excess of BCBSM approved amounts, pharmacy penalties and health care this <u>plan</u> doesn't cover. <u>Coinsurance</u> Limit: expenses excluded from the TROOP limit, <u>copayments</u> , and <u>deductibles</u> .  | Even though you pay these expenses, they don't count toward the out-of-pocket limit.   |

| Important Questions  | Answers   | Why This Matters:  |

| Will you pay less if you use a <u>network provider</u> ?   | Yes. See <a href="https://www.bcbsm.com">www.bcbsm.com</a> or call 1-877-790-2583 for a list of <a href="https://network.providers">network providers</a> . | This <u>plan</u> uses a <u>provider network</u> . You will pay less if you use a <u>provider</u> in the <u>plan's network</u> . You will pay the most if you use an <u>out-of-network-provider</u> , and you might receive a bill from a <u>provider</u> for the difference between the <u>provider's</u> charge and what your <u>plan</u> pays ( <u>balance billing</u> ). Be aware your in- <u>network provider</u> might use an <u>out-of-network-provider</u> for some services (such as lab work). Check with your <u>provider</u> before you get services. |
| Do you need a <u>referral</u> to see a <u>specialist</u> ? | No.   | You can see the specialist you choose without a referral.  |

All **copayment** and **coinsurance** costs shown in this chart are after your **deductible** has been met, if a **deductible** applies.
